

# Bizbox 100

## Essential Business Solution

- ✓ Take control of your documents and files with secure, centralised storage
- ✓ Eliminate spam and viruses and access your email from anywhere
- ✓ How much is your data really worth? Protect it with archiving & offsite backups
- ✓ Keep staff productive by restricting internet access to certain websites
- ✓ Save money on your phone bill and line rental with VoIP technology

### How much is old technology really costing you?

Do you have trouble sending or receiving emails?

How much staff time do you lose to Facebook or Youtube each day?

Are you still paying full price for phone calls?

Do you wish your computer systems would *just work*?

Call us now for a free consultation to see how Doble IT can help your business.
